Position summary

Grampians Community Health in partnership with Ballarat Community Health deliver psychosocial support through the Connecting2Community (C2c) program in the Wimmera and Central Highlands. C2c is a co-designed model of psychosocial support delivered by a multidisciplinary team including peer works and clinicians.

The Intensive Mental Health Clinician is a new role within the Mental Health & AOD program and will ensure a focus on self-management principles and the recovery model.

The position will also contribute to the ongoing development of service offerings to our clients and provide secondary support as required to other organisational programs.

Key responsibilities

1. Support new complex clients to test eligibility to the NDIS and develop NDIS applications.
2. Provide short term care coordination services to complex C2c clients to enable them to access the most appropriate care and treatment pathways and or care team.
3. Provide short term psychosocial support to clients presenting with indications of risk of relapse and or functional decline.
4. Provide secondary support to C2c peer workers that includes identifying appropriate referral pathways that support client recovery and or treatment if required.
5. Liaise with the WestVic Primary Health Network (WestVic PHN) and other WestVic PHN funded stepped care providers to strengthen referral pathways service systems.
6. Provide system navigation services to client and build team capacity to respond to the emerging stepped care model.
7. Where GCH is unable to offer appropriate services or programs to a client, provide further information for alternative solutions where possible.
8. Contribute to the development and design of groups as required.

9. Ensure that accurate documentation of all client related records and data is maintained to meet internal and funding body requirements.
 10. Ensure that all documentation conforms to regulatory, legislative and professional standards requirements.
 11. Provide supervision and support to students as required.
 12. Other duties commensurate with current skills and experience as agreed with the Program Leader, Manager, General Manager or the Chief Executive Officer.
