### Position summary

Grampians Community Health is a service provider to participants of the National Disability Insurance Scheme (NDIS).

Plan Management provides a responsive and quality service to claim participant funds from the NDIS and pay providers on behalf of NDIS participants.

The NDIS Plan Management Officer will pay service providers through an invoicing system and advise participants regarding what supports may be claimed.

### Key responsibilities

1. Support NDIS Participants with financial plan management service including:
  - Setup and management of annual NDIS budgets
  - Liaise with key stakeholders including National Disability Insurance Scheme, NDIS participants and service providers
  - Payment of participant purchased supports to providers
2. Set up and facilitate the plan management establishment meeting with participants
  - Explain the role and expectations of a plan manager and how plan management funding works
  - Clarify who will be involved in the plan management relation
  - Co-design elements of service with the participant
  - Obtain a participant's preferences of service
3. Provide guidance to participants regarding supports that they can access.
4. Data management via NDIS web-based portal and MYP system, including LanternPay

5. Management of data and case notes through excel and TCM Data Management system in accordance with GCH and NDIS guidelines
  6. Work in conjunction with GCH NDIS Business administration and Finance programs
  7. Develop and foster collaborative relationships with key stakeholders both internally and externally
  8. Participate in internal GCH meetings and peer collaboration
  9. Provide supervision and support to students as required.
  10. Other duties commensurate with current skills and experience as agreed with the Program Leader, Manager, General Manager or the Chief Executive Officer.
-
