Position summary

The Occupational Therapist will provide occupational therapy to home care clients, NDIS clients and others in the community to maximise their independence and wellbeing.

A professional development incentive is available in addition to superannuation and generous salary packaging.

This position requires travel between GCH work sites with outreach to the communities serviced by GCH.

Private practice in addition to this position is welcome.

Key responsibilities

1. Deliver safe, quality, evidence based occupational therapy practice models to clients in the community.
2. Design and implement a timetable of programs to support the health and wellbeing of clients.
3. Manage and prioritise an appropriate case load.
4. Advocate and actively seek supports for clients.
5. Work independently, managing and coordinating own caseload.
6. Maintain up to date client records and complete statistical data and other information requirements in a timely and accurate manner.
7. Provide supervision and support to students as required.
8. Other duties commensurate with current skills and experience as agreed with the Program Leader, Manager, General Manager or the Chief Executive Officer.
