

Note for Annual Report Grampians Community Health 2015

Two income areas have been disallowed for the income year 2014 – 2015

The GCH deficit should read \$552,925.00

This deficit follows some reform agendas of the State Government and some planned program enhancements the Board has deemed necessary for GCH's future.

GCH has adequate reserves to fund this anticipated deficit and ameliorations for the future.
